

Silk Road Medical Reports Third Quarter 2019 Financial Results

October 29, 2019

SUNNYVALE, Calif., Oct. 29, 2019 (GLOBE NEWSWIRE) -- Silk Road Medical, Inc. (Nasdaq: SILK), a company focused on reducing the risk of stroke and its devastating impact, today reported financial results for the three months ended September 30, 2019.

"Our third quarter results reflect strong execution across our entire organization," said Erica Rogers, Chief Executive Officer. "With our intense focus on building best-in-class clinical evidence and executing our commercial strategy, TCAR is finding its place prominently in the carotid treatment continuum. While we are still in early in our journey to reach standard of care, we are well positioned for continued progress."

Third Quarter 2019 Financial Results

Revenue for the third quarter of 2019 was \$17.0 million, an increase of \$7.4 million or 77%, compared to the third quarter of 2018. The increase was driven primarily by growing adoption of the TCAR procedure across an expanded base of hospital accounts, trained physicians, and active sales territories.

Gross profit for the third quarter of 2019 was \$12.9 million compared to \$6.7 million for the third quarter of 2018. Gross margin for the third quarter of 2019 increased to 76% compared to 70% in the third quarter of 2018, driven primarily by leveraging manufacturing overhead costs across a greater number of products sold and higher revenue.

Operating expenses were \$20.3 million for the third quarter of 2019, compared to \$11.4 million in the corresponding prior year period, which represents an increase of 77%. The increase was driven primarily by selling, general and administrative expenses related to growth in our commercial team and marketing efforts as well as costs related to being a public company.

Net loss was \$8.0 million in the third quarter of 2019, or a loss of \$0.26 per share, as compared to \$9.0 million, or a loss of \$8.49 per share, in the corresponding period of the prior year.

Cash and cash equivalents were \$112.3 million as of September 30, 2019.

2019 Financial Guidance

Silk Road Medical projects revenue for the full year 2019 to range from \$62 million to \$63 million, which represents 79% to 82% growth over the company's prior year revenue. This compares to previous revenue guidance of \$60 million to \$62 million.

Conference Call

Silk Road Medical will host a conference call at 1:30 p.m. PT / 4:30 p.m. ET on Tuesday, October 29, 2019 to discuss its third quarter 2019 financial results. The call may be accessed through an operator by calling (844) 883-3861 for domestic callers and (574) 990-9820 for international callers using conference ID: 2651007. A live and archived webcast of the event will be available at https://investors.silkroadmed.com/.

About Silk Road Medical

Silk Road Medical, Inc. is a medical device company located in Sunnyvale, California, that is focused on reducing the risk of stroke and its devastating impact. The company has pioneered a new approach for the treatment of carotid artery disease called TransCarotid Artery Revascularization (TCAR). TCAR is a clinically proven procedure combining surgical principles of neuroprotection with minimally invasive endovascular techniques to treat blockages in the carotid artery at risk of causing a stroke.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 and the Private Securities Litigation Reform Act of 1995. These statements include statements regarding financial guidance, ability to penetrate the market, adoption and expectations for growth. Such statements are based on current assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially. These risks and uncertainties, many of which are beyond our control, include risks described in the section entitled Risk Factors and elsewhere in our filing made with the Securities and Exchange Commission in Silk Road's Form 10-Q filing made with the Securities and Exchange Commission on August 13, 2019. These forward-looking statements speak only as of the date hereof and should not be unduly relied upon. Silk Road Medical disclaims any obligation to update these forward-looking statements.
