Item 1.01 Entry into a Material Definitive Agreement.

On October 29, 2020, Silk Road Medical, Inc., a Delaware corporation (the “Company”), entered into a loan and security agreement (the “Loan Agreement”) with Stifel Bank, as lender. The Loan Agreement provides for a \$50.0 million loan facility, comprised of a \$50.0 million secured revolving credit facility, with a \$2.0 million subfacility for the issuance of letters of credit and other ancillary banking services, and a \$50.0 million secured term loan facility, provided that amounts outstanding under both facilities may not exceed an aggregate principal amount of \$50.0 million at any time. The revolving loans mature on October 29, 2022, or October 29, 2023 if as of October 29, 2022, no event of default has occurred and the Company is in compliance with the terms of the Loan Agreement, and the term loans mature on October 29, 2024. The proceeds of the loans may be used by the Company for general corporate purposes. As of October 29, 2020, there were \$0 million in revolving loans outstanding and \$49,000,000 in term loans outstanding under the loan facility.

The revolving loans accrue interest at a prime rate plus a margin of 0.50%, and the term loans accrue interest at a prime rate plus a margin of 0.75%. Interest on both loans is payable monthly in arrears. The Company may borrow, prepay and reborrow revolving loans, without premium or penalty. The principal amount of outstanding revolving loans, together with accrued and unpaid interest, is due on the revolving loan maturity date. The principal amount of outstanding term loans shall be repaid in equal monthly installments beginning on May 29, 2022, or November 29, 2022 if the Company achieves revenues for the Company’s fiscal year ending December 31, 2021 of at least 80% of its board-approved financial projections for such fiscal year. The term loans may not be reborrowed once repaid, but the Company may prepay term loans at any time without premium or penalty. The Company is also obligated to pay a fee to the lender upon the occurrence of certain liquidity events, along with other customary fees for a loan facility of this size and type.

The Company’s obligations under the Loan Agreement are secured by substantially all of the Company’s assets, excluding intellectual property, and will be guaranteed by its future domestic subsidiaries, subject to limited exceptions. As of the closing date, there were no guarantors.

Beginning on January 15, 2021, the Credit Agreement requires the Company to maintain unrestricted cash and cash equivalents with the lender of at least \$20.0 million. In addition, for any fiscal quarter where the Company’s unrestricted cash and cash equivalents maintained with the lender (or prior to January 15, 2021, the lender or certain other banks) is less than \$60.0 million for any day during such fiscal quarter, the Company must comply with a minimum revenue covenant. Additionally, the Loan Agreement contains customary affirmative and negative covenants, including covenants limiting the ability of the Company and its subsidiaries to, among other things, dispose of assets, effect certain mergers, incur debt, grant liens, pay dividends and distributions on their capital stock, make investments and acquisitions, and enter into transactions with affiliates, in each case subject to customary exceptions for a loan facility of this size and type.

The events of default under the Loan Agreement include, among others, payment defaults, material misrepresentations, breaches of covenants, cross defaults with certain other material indebtedness, bankruptcy and insolvency events, and judgment defaults. The occurrence of an event of default could result in the acceleration of the Company’s obligations under the Loan Agreement, the termination of the lender’s commitments, a 5% increase in the applicable rate of interest and the exercise by the lender of other rights and remedies provided for under the Loan Agreement.

The foregoing description of the Loan Agreement does not purport to be complete and is qualified in its entirety by the terms and conditions of the Loan Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On October 29, 2020, in connection with the Company's entry into the Loan Agreement discussed in Item 1.01 of this Current Report on Form 8-K, the Company terminated its Term Loan Agreement, dated as of October 13, 2015 (as amended, restated, modified or otherwise supplemented from time to time, the "Terminated Loan Agreement"), by and among the Company, the subsidiaries of the company from time to time party thereto as guarantors, and certain affiliates of CRG Partners III L.P. as lenders. As of October 29, 2020, there was approximately \$43.8 million in term loans outstanding under the Terminated Loan Agreement. The Company was obligated to pay a prepayment fee as a result of the termination.

The terms and conditions of the Terminated Loan Agreement were disclosed in the Company's S-1 Registration Statement filed on August 6, 2019, which disclosures are incorporated herein by reference.

A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a governmental authority pursuant to this Section, the Borrower shall deliver to the Lender the original or a certified copy of a receipt issued by such governmental authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower, at the time or times reasonably requested by the Borrower, such properly completed and executed documentation reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower as will enable the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraphs (e)(ii)(A), (ii)(B) and (ii)(D) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower on or about the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), whichever of the following is applicable:

1. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or

reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

2. executed copies of IRS Form W-8ECI;
3. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit B-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a “controlled foreign corporation” related to the Borrower as described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or
4. to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-2 or Exhibit B-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit B-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower (in such number of copies as shall be requested) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Borrower at the time or times prescribed by law and at such time or times reasonably requested by the Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower as may be necessary for the Borrower to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant governmental authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant governmental authority) in the event that such indemnified party is required to repay such refund to such governmental authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Survival. Each party's obligations under this Section shall survive any assignment of rights by a Lender and the repayment, satisfaction or discharge of all obligations under any Loan Document.

3. Conditions of loans.

3.1 Conditions Precedent to Initial Credit Extension. The obligation of Bank to make the initial Credit Extension is subject to the condition precedent that Bank shall have received, in form and substance satisfactory to Bank, the following:

(a) this Agreement;

(b) a certificate of the Secretary of Borrower with respect to incumbency and resolutions authorizing the execution and delivery of this Agreement;

(c) UCC National Form Financing Statement;

(d) the Fee Agreement;

(e) the insurance certificates and specific endorsements specified in Section 6.5 hereof;

(f) a landlord's consent or bailee's waiver in favor of Bank for each of each Borrower's leased locations or locations at which Borrower maintains tangible Collateral valued in excess of Five Hundred Thousand Dollars (\$500,000), by the respective landlord thereof, together with the duly executed signatures thereto;

(g) a Control Agreement for each of Borrower's bank accounts maintained at Silicon Valley Bank;

(h) payment of the fees and Bank Expenses then due specified in Section 2.5 hereof;

(i) financial statements of Borrower for the month ending September 30, 2020;

(j) a payoff letter for the Term Loan Agreement, dated as of October 13, 2015, among Borrower, the subsidiary guarantors from time to time party thereto and the lenders from time to time party thereto (the “**Existing Term Loan Agreement**”);

(k) evidence that (i) the Liens securing Indebtedness owed by Borrower to the lenders under the Existing Term Loan Agreement will be terminated and (ii) the documents and/or filings evidencing the perfection of such Liens, including without limitation any financing statements and/or control agreements, have been terminated; and

(l) such other documents, and completion of such other matters, as Bank may reasonably deem necessary or appropriate.

3.2 Conditions Precedent to all Credit Extensions. The obligation of Bank to make each Credit Extension, including the initial Credit Extension, is further subject to the following conditions:

(a) timely receipt by Bank of an Advance Request Form or, with respect to the initial Credit Extension, the Initial Request for Loan Disbursement; and

(b) the representations and warranties contained in Section 5 shall be true and correct in all material respects on and as of the date of such Advance Request Form (or, with respect to the initial Credit Extension, the Initial Request for Loan Disbursement) and on the effective date of each Credit Extension as though made at and as of each such date, and no Event of Default shall have occurred and be continuing, or would exist after giving effect to such Credit Extension. The making of each Credit Extension shall be deemed to be a representation and warranty by Borrower on the date of such Credit Extension as to the accuracy of the facts referred to in this Section 3.2.

4. Creation of security interest.

4.1 Grant of Security Interest. Borrower grants and pledges to Bank a continuing security interest in all presently existing and hereafter acquired or arising Collateral in order to secure prompt repayment of any and all Obligations and in order to secure prompt performance by Borrower of each of its covenants and duties under the Loan Documents. Subject to Permitted Liens, such security interest constitutes a valid, first priority security interest in the presently existing Collateral, and will constitute a valid, first priority security interest in Collateral acquired after the date hereof.

4.2 Delivery of Additional Documentation Required. Borrower shall from time to time execute and deliver to Bank, at the reasonable request of Bank, all Negotiable Collateral with a face amount exceeding Five Hundred Thousand Dollars (\$500,000), all financing statements and other documents that Bank may reasonably request, in form reasonably satisfactory to Bank, to perfect and continue the perfection of Bank’s security interests in the Collateral and in order to fully consummate all of the transactions contemplated under the Loan Documents. Borrower from time to time may deposit with Bank specific time deposit accounts to secure specific Obligations. Borrower authorizes Bank to hold such balances in pledge and to decline to honor any drafts thereon or any request by Borrower or any other Person to pay or otherwise transfer any part of such balances for so long as the Obligations are outstanding.

4.3 Right to Inspect. Bank (through any of its officers, employees, or agents) shall have the right, upon reasonable prior notice, from time to time during Borrower’s usual business hours but no more than once a year (unless an Event of Default has occurred and is continuing), to inspect Borrower’s Books and to make copies thereof and to check, test, and appraise the Collateral in order to verify Borrower’s financial condition or the amount, condition of, or any other matter relating to, the Collateral.

4.4 Pledge of Shares. Borrower hereby pledges and grants to Bank a security interest in all the Shares, together with all proceeds and substitutions thereof, all cash, stock and other moneys and property paid thereon, all rights to subscribe for securities declared or granted in connection therewith, and all other cash and noncash proceeds of the foregoing, in each case to the extent constituting Collateral, as security for the performance

of the Obligations. On the Closing Date, the certificate or certificates, if any, for the Shares will be delivered to Bank, accompanied by stock powers or another instrument of assignment duly executed in blank by Borrower. To the extent required by the terms and conditions governing the Shares, Borrower shall cause the books of each entity whose Shares are part of the Collateral and any transfer agent to reflect the pledge of the Shares. Upon the occurrence and during the continuance of an Event of Default hereunder, Bank may effect the transfer of any securities included in the Collateral (including but not limited to the Shares) into the name of Bank and cause new certificates representing such securities to be issued in the name of Bank or its transferee. Borrower will execute and deliver such documents, and take or cause to be taken such actions, as Bank may reasonably request to perfect or continue the perfection of Bank's security interest in the Shares. Unless an Event of Default shall have occurred and be continuing, Borrower shall be entitled to exercise any voting rights with respect to the Shares and to give consents, waivers and ratifications in respect thereof, provided that no vote shall be cast or consent, waiver or ratification given or action taken which would be inconsistent with any of the terms of this Agreement or which would constitute or create any violation of any of such terms. All such rights to vote and give consents, waivers and ratifications shall terminate upon the occurrence and during the continuance of an Event of Default.

5. Representations and warranties.

Borrower represents and warrants as follows:

5.1 Due Organization and Qualification. Borrower and each Subsidiary is a corporation or company duly existing under the laws of its state or jurisdiction of incorporation or formation and qualified and licensed to do business in: (a) its state or jurisdiction of incorporation and the state where its chief executive office is located, and (b) any other state or jurisdiction in which the conduct of its business or its ownership of property requires that it be so qualified, except, in the case of such other states and jurisdictions, where the failure to do so could not reasonably be expected to cause a Material Adverse Effect.

5.2 Due Authorization; No Conflict. The execution, delivery, and performance of the Loan Documents are within Borrower's powers, have been duly authorized by Borrower, and are not in conflict with nor constitute a breach of any provision contained in Borrower's certificate of incorporation or bylaws, nor will they constitute an event of default under any material agreement to which Borrower is a party or by which Borrower is bound. Borrower is not in default under any material agreement to which it is a party or by which it is bound.

5.3 No Prior Encumbrances. Borrower and each Subsidiary has good and marketable title to its property, free and clear of Liens, except for Permitted Liens.

5.4 Merchantable Inventory. All Inventory is in all material respects of good and marketable quality, free from all material defects, except for Inventory for which adequate reserves have been made.

5.5 Intellectual Property. Borrower is the sole owner of the Intellectual Property owned by it, except for non-exclusive licenses granted in the ordinary course of business and Permitted Licenses. To Borrower's knowledge, each of the Patents owned by Borrower that has any material value is valid and enforceable, and no part of the Intellectual Property owned by Borrower that has any material value has been judged invalid or unenforceable, in whole or in part, and no claim has been made that any part of the Intellectual Property that violates the rights of any third party other than claims that are immaterial or that the board of directors of Borrower (or a committee thereof) deems frivolous. Except as set forth in the Schedule, Borrower's rights as a licensee of intellectual property do not give rise to more than ten percent (10%) of its gross revenue in any given month, including without limitation revenue derived from the sale, licensing, rendering or disposition of any product or service. Except as set forth in the Schedule and for Permitted Restrictions, Borrower is not a party to, or bound by, any agreement that restricts the grant by Borrower of a security interest in favor of Bank in Borrower's rights under such agreement.

5.6 Name; Location of Chief Executive Office. Except as disclosed in the Schedule or where notice has been provided to Bank in accordance with Section 7.10 hereof, Borrower has not done business in the past five years under any name other than that specified on the signature page hereof. Except where notice has been provided to Bank in accordance with Section 7.2 hereof, the chief executive office of Borrower is located at the

address indicated in Section 10 hereof. All Borrower's Inventory and Equipment (other than (i) goods in transit, (ii) inventory maintained with clinical research providers, (iii) trunk Inventory maintained by Borrower's employees, (iv) fixed assets maintained at suppliers, (v) moveable Equipment (such as laptop computers and cell phones) and (vi) Inventory maintained with Borrower's third party logistics providers) is located only at the location set forth in Section 10 hereof or as permitted pursuant to Section 7.10 hereof.

5.7 Litigation. Except as set forth in the Schedule, there are no actions or proceedings pending by or against Borrower or any Subsidiary before any court or administrative agency that could reasonably be expected to have a Material Adverse Effect, or a material adverse effect on Borrower's interest or Bank's security interest in the Collateral.

5.8 No Material Adverse Change in Financial Statements. All consolidated financial statements of Borrower and its Subsidiaries that Bank has received from Borrower fairly present in all material respects Borrower's consolidated financial condition as of the date thereof and Borrower's consolidated results of operations for the period then ended. There has not been a material adverse change in the consolidated financial condition of Borrower since the date of the most recent of such financial statements submitted to Bank.

5.9 Solvency, Payment of Debts. Borrower is able to pay its debts (including trade debts) as they mature; the fair saleable value of Borrower's assets (including goodwill minus disposition costs) exceeds the fair value of its liabilities; and Borrower is not left with unreasonably small capital after the transactions contemplated by this Agreement.

5.10 Regulatory Compliance. Borrower and each Subsidiary have met the minimum funding requirements of ERISA with respect to any of their employee benefit plans subject to ERISA, and no event has occurred resulting from Borrower's failure to comply with ERISA that could reasonably be expected to result in Borrower's incurring any material liability. Borrower is not an "investment company" or a company "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940. Borrower is not engaged principally, or as one of the important activities, in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulations T and U of the Board of Governors of the Federal Reserve System). Borrower has complied in all material respects with all the provisions of the Federal Fair Labor Standards Act. Borrower has not violated any statutes, laws, ordinances or rules applicable to it, violation of which could reasonably be expected to have a Material Adverse Effect.

5.11 Environmental Condition. Except as disclosed in the Schedule or where the failure to do so could not reasonably be expected to have a Material Adverse Effect, (i) none of Borrower's or any Subsidiary's properties or assets has ever been used by Borrower or any Subsidiary or, to Borrower's knowledge, by previous owners or operators, in the disposal of, or to produce, store, handle, treat, release, or transport, any hazardous waste or hazardous substance other than in accordance with applicable law; (ii) to the best of Borrower's knowledge, none of Borrower's properties or assets has ever been designated or identified in any manner pursuant to any environmental protection statute as a hazardous waste or hazardous substance disposal site, or a candidate for closure pursuant to any environmental protection statute; (iii) no lien arising under any environmental protection statute has attached to any revenues or to any real or personal property owned by Borrower or any Subsidiary; and (iv) neither Borrower nor any Subsidiary has received a summons, citation, notice, or directive from the Environmental Protection Agency or any other federal, state or other governmental agency concerning any action or omission by Borrower or any Subsidiary resulting in the releasing, or otherwise disposing of hazardous waste or hazardous substances into the environment.

5.12 Taxes. Borrower and each Subsidiary have filed or caused to be filed all tax returns required to be filed, and have paid, or have made adequate provision for the payment of, all Taxes reflected therein, except, in each case, (a) those being contested in good faith by appropriate proceedings promptly instituted and diligently conducted with adequate reserves under GAAP or (b) if such taxes, assessments, deposits and contributions do not, individually or in the aggregate, exceed Seventy-Five Thousand Dollars (\$75,000).

5.13 Subsidiaries. Borrower does not own any stock, partnership interest or other equity securities of any Person, except for Permitted Investments.

5.14 Government Consents. Borrower and each Subsidiary have obtained all material consents, approvals and authorizations of, made all declarations or filings with, and given all notices to, all governmental authorities that are necessary for the continued operation of Borrower's business as currently conducted.

5.15 Accounts. Except as permitted by Section 6.7, none of Borrower's nor any Subsidiary's deposit or securities accounts is maintained or invested with a Person other than Bank.

5.16 Shares. Borrower has full power and authority to create a first lien, subject to Permitted Liens, on the Shares owned by it and no disability or contractual obligation exists that would prohibit Borrower from pledging such Shares pursuant to this Agreement. To Borrower's knowledge, there are no subscriptions, warrants, rights of first refusal or other restrictions on transfer relative to, or options exercisable with respect to the Shares. The Shares have been and will be duly authorized and validly issued, and (to the extent applicable) are fully paid and non-assessable. To Borrower's knowledge, the Shares are not the subject of any present or threatened in writing suit, action, arbitration, administrative or other proceeding, and Borrower knows of no reasonable grounds for the institution of any such proceedings.

5.17 Full Disclosure. No representation, warranty or other statement made by Borrower in any certificate or written statement furnished to Bank, taken together with Borrower's filings with the Securities and Exchange Commission, contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained in such certificates or statements not misleading (it being recognized by Bank that projections and forecasts are not to be viewed as facts and are subject to significant uncertainties and contingencies and that no assurances can be given that any projection or forecast will be realized and that actual results during the period or periods covered by any such projections and forecasts may differ from the projected or forecasted results).

6. Affirmative Covenants.

Borrower shall do all of the following:

6.1 Good Standing. Except as permitted by Section 7.3, Borrower shall maintain its and each of its Subsidiaries' corporate existence and good standing in its jurisdiction of incorporation and maintain qualification in its state or jurisdiction of incorporation and the state or jurisdiction where its chief executive office is located and in each other jurisdiction in which it is required under applicable law, in the case of such other jurisdictions, in which the failure to so qualify would reasonably be expected to have a material adverse effect on such Borrower's business or operations. Each Borrower shall maintain, and shall cause each of its Subsidiaries to maintain, in force all licenses, approvals and agreements, the loss of which could reasonably be expected to have a Material Adverse Effect.

6.2 Government Compliance. Borrower shall meet, and shall cause each Subsidiary to meet, the minimum funding requirements of ERISA with respect to any employee benefit plans of Borrower subject to ERISA. Borrower shall comply, and shall cause each Subsidiary to comply, with all statutes, laws, ordinances and government rules and regulations to which it is subject, noncompliance with which could reasonably be expected to have a Material Adverse Effect.

6.3 Financial Statements, Reports, Certificates. Borrower shall deliver the following to Bank: (a) as soon as available, but in any event within forty-five (45) days after the end of each calendar month, a company prepared consolidated balance sheet, income statement, and cash flow statement (for months that are the last month of a fiscal quarter) covering Borrower's consolidated operations during such period, prepared in accordance with GAAP (except for the absence of footnotes and subject to year-end audit adjustments), consistently applied, in a form reasonably acceptable to Bank and certified by a Responsible Officer; (b) as soon as available, but in any event within one hundred eighty (180) days after the end of Borrower's fiscal year, audited consolidated financial statements of Borrower prepared in accordance with GAAP, consistently applied, together with an unqualified opinion on such financial statements of PricewaterhouseCoopers LLP or another independent certified public accounting firm reasonably acceptable to Bank; (c) copies of all statements, reports and notices sent or made

Notwithstanding the foregoing, financial statements and reports required to be delivered pursuant to the foregoing provisions of this Section 6.3 (i) may be delivered electronically and if so delivered, shall be deemed to have been delivered on the date on which Bank receives such reports from the Borrower through electronic mail and (ii) shall be deemed to be delivered on the date such documents are filed for public availability on the Securities and Exchange Commission's Electronic Data Gathering and Retrieval System.

Within forty-five (45) days after the last day of each fiscal quarter, Borrower shall deliver to Bank a certificate signed by a Responsible Officer providing aged listings of accounts receivable and accounts payable, and a KPI Report.

Borrower shall deliver to Bank with the monthly financial statements a Compliance Certificate signed by a Responsible Officer in substantially the form of **Exhibit C** hereto.

Bank shall have a right from time to time hereafter, upon reasonable prior notice, from time to time during Borrower's usual business hours, to audit Borrower's Accounts and appraise Collateral at Borrower's expense, provided that such audits will be conducted no more often than every twelve (12) months unless an Event of Default has occurred and is continuing.

6.4 Inventory; Returns. Borrower shall keep all Inventory in good and marketable condition, free from all material defects except for Inventory for which adequate reserves have been made. Returns and allowances, if any, as between Borrower and its account debtors shall be on the same basis and in accordance with the usual customary practices of Borrower. Borrower shall promptly notify Bank of all returns and recoveries and of all disputes and claims in respect of Inventory, where any such return, recovery, dispute or claim involves more than Five Hundred Thousand Dollars (\$500,000) or One Million Dollars (\$1,000,000) in the case of any return, recovery, dispute or claim in respect of an international distributor.

6.5 Taxes. Borrower shall make, and shall cause each Subsidiary to make, due and timely payment or deposit of all required federal and material foreign, state and local taxes, assessments, or contributions required of it by law, and will execute and deliver to Bank, on demand, appropriate certificates attesting to the payment or deposit thereof; and Borrower will make, and will cause each Subsidiary to make, timely payment or deposit of all material tax payments and withholding taxes required of it by applicable laws, including, but not limited to, those laws concerning F.I.C.A., F.U.T.A., state disability, and local, state, and federal income taxes, and will, upon request, furnish Bank with proof satisfactory to Bank indicating that Borrower or a Subsidiary has made such payments or deposits; provided that Borrower or a Subsidiary need not make any payment if the amount or validity of such payment is contested in good faith by appropriate proceedings and is reserved against (to the extent required by GAAP) by Borrower.

6.6 Insurance.

(a) Borrower, at its expense, shall keep the Collateral insured against loss or damage by fire, theft, explosion, sprinklers, and all other hazards and risks, and in such amounts, as ordinarily insured against by other owners in similar businesses conducted in the locations where Borrower's business is conducted.

Borrower shall also maintain insurance relating to Borrower's business, ownership and use of the Collateral in amounts and of a type that are customary to businesses similar to Borrower's.

(b) All such policies of insurance shall be in such form, with such companies, and in such amounts as are reasonably satisfactory to Bank. All such policies of property insurance shall contain a lender's loss payable endorsement, in a form reasonably satisfactory to Bank, showing Bank as an additional lender's loss payee thereof, and all liability insurance policies shall show Bank as an additional insured, and Borrower shall give at least twenty (20) days' notice to Bank before canceling its policy for any reason. Upon Bank's request, Borrower shall deliver to Bank copies of such policies of insurance and evidence of the payments of all premiums therefor. All proceeds payable under any such policy shall, at the option of Bank, be payable to Bank to be applied on account of the Obligations. Notwithstanding the foregoing, (a) so long as no Event of Default has occurred and is continuing, Borrower shall have the option of applying the proceeds of any casualty policy up to Five Million Dollars (\$5,000,000) in the aggregate for all losses under all casualty policies in any one year, toward the replacement or repair of destroyed or damaged property; provided that any such replaced or repaired property (i) shall be of equal or like value as the replaced or repaired Collateral and (ii) shall be deemed Collateral in which Bank has been granted a first priority security interest, and (b) after the occurrence and during the continuance of an Event of Default, all proceeds payable under such casualty policy shall, at the option of Bank, be payable to Bank on account of the Obligations.

6.7 Accounts. Borrower shall (i) no later than the Transition Period End Date, have deposited not less than Sixty-Five Million Dollars (\$65,000,000) in accounts with Bank and at all times thereafter shall maintain and shall cause each of its Subsidiaries to maintain its primary domestic depository, operating, and investment accounts with Bank and (ii) no later than June 30, 2021 (or such later date with respect to any such banking service that prior to June 30, 2021 is not offered by Bank in a comparable form (as determined by Borrower in its business judgment)), endeavor to utilize and shall cause each of its Subsidiaries to endeavor to utilize Bank's International Banking Division for any international banking services required by Borrower, including, but not limited to, foreign currency wires, hedges, swaps, lockbox, ACH disbursements, Autocash, FX Contracts, and Letters of Credit. Deposit and securities account control agreements shall not be required for Borrower's accounts at Wells Fargo so long as the amounts held in such accounts, in the aggregate, do not exceed One Million Dollars (\$1,000,000); provided, that if such accounts are not closed by the Transition Period End Date, then Borrower shall execute Control Agreement(s) over all such accounts, in favor of Bank, by no later than February 28, 2021.

6.8 Financial Covenants.

(a) **Minimum Cash and Cash Equivalents.** Commencing on the Transition Period End Date, Borrower shall at all times maintain at least Twenty Million Dollars (\$20,000,000) of unrestricted cash and Cash Equivalents at Bank.

(b) **Minimum Revenue.** For any quarterly measuring period where Borrower's unrestricted cash and Cash Equivalents at Bank is (or, prior to January 15, 2021 unrestricted cash or Cash Equivalents at Bank or cash or Cash Equivalents otherwise subject to a Control Agreement in favor of Bank), for any day during the quarterly measuring period, less than Sixty Million Dollars (\$60,000,000), Borrower shall achieve cumulative fiscal year consolidated revenue (measured in accordance with GAAP), tested quarterly as of the last day of such fiscal quarter, of not less than the following amounts with respect to the applicable measuring date:

Fiscal Quarter Period Ending	Minimum Cumulative Fiscal Year Consolidated Revenue
December 31, 2020	[***]
March 31, 2021	[***]
June 30, 2021	[***]
September 30, 2021	[***]
December 31, 2021	[***]

The required minimum cumulative fiscal year consolidated revenue covenant levels for the fiscal quarter measuring periods ending after December 31, 2021, shall be mutually agreed upon between Bank and Borrower; provided that such covenant levels, with respect to revenue for the cumulative fiscal year, shall be set to the greater of (a) ten percent (10%) year-over-year growth in comparison to the prior fiscal year or (b) seventy-five percent (75%) of the annual operating budget and projections delivered by Borrower to Bank in accordance with Section 6.3(e) hereof (and deemed acceptable to Bank in its sole but reasonable discretion). The new covenant levels shall be documented in an amendment to this Agreement to be entered into on or prior to March 15 of each calendar year, beginning with the 2022 calendar year. Borrower's failure to cooperate with the Bank to enter into the amendment to this Agreement to reset such covenant levels shall be an immediate Event of Default hereunder.

6.9 Intellectual Property Rights. 9. Bank's Rights and Remedies.

9.1 Rights and Remedies. Upon the occurrence and during the continuance of an Event of Default, Bank may, at its election, without notice of its election and without demand, do any one or more of the following, all of which are authorized by Borrower:

(a) Declare all Obligations, whether evidenced by this Agreement, by any of the other Loan Documents, or otherwise, immediately due and payable (provided that upon the occurrence of an Event of Default described in Section 8.5, all Obligations shall become immediately due and payable without any action by Bank);

(b) Cease advancing money or extending credit to or for the benefit of Borrower under this Agreement or under any other agreement between Borrower and Bank;

(c) Settle or adjust disputes and claims directly with account debtors for amounts, upon terms and in whatever order that Bank reasonably considers advisable;

(d) Make such payments and do such acts as Bank considers necessary or reasonable to protect its security interest in the Collateral. Borrower agrees to assemble the Collateral if Bank so requires, and to make the Collateral available to Bank as Bank may designate. Borrower authorizes Bank to enter the premises where the Collateral is located, to take and maintain possession of the Collateral, or any part of it, and to pay, purchase, contest, or compromise any encumbrance, charge, or lien which in Bank's determination appears to be prior or superior to its security interest and to pay all expenses incurred in connection therewith. With respect to any of Borrower's owned premises, Borrower hereby grants Bank a license to enter into possession of such premises and to occupy the same, without charge, in order to exercise any of Bank's rights or remedies provided herein, at law, in equity, or otherwise;

(e) Set off and apply to the Obligations any and all (i) balances and deposits of Borrower held by Bank, or (ii) indebtedness at any time owing to or for the credit or the account of Borrower held by Bank;

(f) Ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale, and sell (in the manner provided for herein) the Collateral. Bank is hereby granted a license or other right, solely pursuant to the provisions of this Section 9.1, to use, without charge, Borrower's labels, patents, copyrights, rights of use of any name, trade secrets, trade names, trademarks, service marks, and advertising matter, or any property of a similar nature, as it pertains to the Collateral, in completing production of, advertising for sale, and selling any Collateral and, in connection with Bank's exercise of its rights under this Section 9.1, Borrower's rights under all licenses and all franchise agreements shall inure to Bank's benefit;

(g) Dispose of the Collateral by way of one or more contracts or transactions, for cash or on terms, in such manner and at such places (including Borrower's premises) as Bank determines is commercially reasonable, and apply any proceeds to the Obligations in whatever manner or order Bank deems appropriate;

(h) Bank may credit bid and purchase at any public sale; and

(i) Any deficiency that exists after disposition of the Collateral as provided above will be paid immediately by Borrower.

9.2 Power of Attorney. Effective only upon the occurrence and during the continuance of an Event of Default, Borrower hereby irrevocably appoints Bank (and any of Bank's designated officers, or employees) as Borrower's true and lawful attorney to: (a) send requests for verification of Accounts or notify account debtors of Bank's security interest in the Accounts; (b) endorse Borrower's name on any checks or other forms of payment or security that may come into Bank's possession; (c) sign Borrower's name on any invoice or bill of lading relating to any Account, drafts against account debtors, schedules and assignments of Accounts, verifications of Accounts, and notices to account debtors; (d) dispose of any Collateral; (e) make, settle, and adjust all claims under and decisions with respect to Borrower's policies of insurance; (f) settle and adjust disputes and claims respecting the accounts directly with account debtors, for amounts and upon terms which Bank determines to be reasonable; and (g) to file, in its sole discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Collateral. The appointment of Bank as Borrower's attorney in fact, and each and every one of Bank's rights and powers, being coupled with an interest, is irrevocable until all of the Obligations (other than contingent indemnification obligations and obligations in respect of Ancillary Services) have been fully repaid and performed and Bank's obligation to provide Credit Extensions hereunder is terminated.

9.3 Accounts Collection. At any time after the occurrence and during the continuance of an Event of Default, Bank may notify any Person owing funds to Borrower of Bank's security interest in such funds

and verify the amount of such Account. At any time after the occurrence and during the continuance of an Event of Default, Borrower shall collect all amounts owing to Borrower for Bank, receive in trust all payments as Bank's trustee, and immediately deliver such payments to Bank in their original form as received from the account debtor, with proper endorsements for deposit.

9.4 Bank Expenses. If Borrower fails to pay any amounts or furnish any required proof of payment due to third persons or entities, as required under the terms of this Agreement, then Bank may do any or all of the following after reasonable notice to Borrower: (a) make payment of the same or any part thereof; (b) set up such reserves under a loan facility in Section 2.1 as Bank deems necessary to protect Bank from the exposure created by such failure; or (c) obtain and maintain insurance policies of the type discussed in Section 6.6 of this Agreement, and take any action with respect to such policies as Bank deems prudent. Any amounts so paid or deposited by Bank shall constitute Bank Expenses, shall be immediately due and payable, and shall bear interest at the then applicable rate hereinabove provided, and shall be secured by the Collateral. Any payments made by Bank shall not constitute an agreement by Bank to make similar payments in the future or a waiver by Bank of any Event of Default under this Agreement.

9.5 Bank's Liability for Collateral. So long as Bank complies with reasonable banking practices, Bank shall not in any way or manner be liable or responsible for: (a) the safekeeping of the Collateral; (b) any loss or damage thereto occurring or arising in any manner or fashion from any cause; (c) any diminution in the value thereof; or (d) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other person whomsoever. All risk of loss, damage or destruction of the Collateral shall be borne by Borrower.

9.6 Remedies Cumulative. Bank's rights and remedies under this Agreement, the Loan Documents, and all other agreements shall be cumulative. Bank shall have all other rights and remedies not inconsistent herewith as provided under the Code, by law, or in equity. No exercise by Bank of one right or remedy shall be deemed an election, and no waiver by Bank of any Event of Default on Borrower's part shall be deemed a continuing waiver. No delay by Bank shall constitute a waiver, election, or acquiescence by it. No waiver by Bank shall be effective unless made in a written document signed on behalf of Bank and then shall be effective only in the specific instance and for the specific purpose for which it was given.

9.7 Demand; Protest. Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees at any time held by Bank on which Borrower may in any way be liable.

10. Notices. All notices, consents, requests, approvals, demands, or other communication by any party to this Agreement or any other Loan Document must be in writing and shall be deemed to have been validly served, given, or delivered: (a) upon the earlier of actual receipt and three (3) Business Days after deposit in the U.S. mail, first class, registered or certified mail return receipt requested, with proper postage prepaid; (b) upon transmission, when sent by electronic mail or facsimile transmission; (c) one (1) Business Day after deposit with a reputable overnight courier with all charges prepaid; or (d) when delivered, if hand-delivered by messenger, all of which shall be addressed to the party to be notified and sent to the address, facsimile number, or email address indicated below. 12. Jurisdiction and Jury Trial Waiver.

12.1 Borrower hereby irrevocably consents that any suit, legal action or proceeding against borrower or any of its properties with respect to any of the rights or obligations arising directly or indirectly under or relating to this note or any other loan document may be brought in any jurisdiction, including, without limitation, any New York state or United States Federal Court located in the southern district of New York, as Bank may elect, and by execution and delivery of this note, Borrower hereby irrevocably submits to and accepts with regard to any such suit, legal action or proceeding, for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts. The foregoing shall not limit the right of Bank to serve process in any other manner permitted by law or to bring any suit, legal action or proceeding or to obtain execution of judgment in any other jurisdiction.

12.2 Borrower hereby irrevocably waives any objection which borrower may now or hereafter have to the laying of venue of any suit, legal action or proceeding arising directly or indirectly under or relating to this note or any other loan document in any state or federal court located in any jurisdiction, including without limitation, any state or federal court located in the southern district of New York chosen by Bank in accordance with this Section 12 and hereby further irrevocably waives any claim that a court located in the southern district of New York is not a convenient forum for any such suit, legal action or proceeding.

12.3 Borrower hereby irrevocably agrees that any suit, legal action or proceeding commenced by Borrower with respect to any rights or obligations arising directly or indirectly under or relating to this note or any other loan document (except as expressly set forth therein to the contrary) shall be brought exclusively in any New York state or United States Federal Court located in the southern district of New York.

12.4 Borrower hereby waives any defense or claim based on marshaling of assets or election or remedies or guaranties.

12.5 Borrower and Bank (by its acceptance of this note) hereby irrevocably waive all right to trial by jury in any action, proceeding or counterclaim arising out of or relating to any obligation of Borrower or this note or any other loan document.

13. General Provisions.

13.1 Successors and Assigns.

(a) **Assignment Generally.** This Agreement shall bind and inure to the benefit of the respective successors and permitted assigns of each of the parties; provided, however, that neither this Agreement nor any rights hereunder may be assigned by Borrower without Bank's prior written consent, which consent may be granted or withheld in Bank's sole discretion. Bank shall have the right without the consent of Borrower to sell, transfer, negotiate, or grant participation in all or any part of, or any interest in, Bank's obligations, rights and benefits hereunder; provided that so long as no Event of Default has occurred and is continuing, Bank shall not sell, transfer, negotiate, or grant participation in all or any part of, or any interest in, Bank's obligations, rights and benefits hereunder to (a) any Person that is a "vulture" or distressed debt fund or (b) any Person that produces, markets or sells, or develops a program to market or sell, a product in direct competition with Borrower (as determined by Bank in their sole but reasonable discretion); provided, further, that Borrower shall be provided with a copy of each assignment and assumption or similar agreement relating to any sale or transfer of Bank's or another Lender's obligations, rights and benefits hereunder. Notwithstanding the foregoing, a successor or assign of a Lender shall not be entitled to receive any greater payment under Section 2.7 with respect to any interest in the Loan Documents than its transferor Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the transfer of the applicable interest, and shall otherwise be subject to all of the requirements and limitations of Section 2.7.

(a) **Registers.** The Borrower shall maintain a copy of each assignment and assumption or similar agreement delivered to it and a register for the recordation of the names and addresses of each Lender and principal amounts (and stated interest) of the Credit Extensions owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each Participant's interest in the Credit Extensions or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

13.2 Indemnification. Borrower shall defend, indemnify and hold harmless Bank and its officers, employees, and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Agreement; and (b) all losses or Bank Expenses in any way suffered, incurred, or paid by Bank as a result of or in any way arising out of, following, or consequential to transactions between Bank and Borrower whether under this Agreement or any other Loan Document (including without limitation reasonable and documented attorneys' fees and expenses), except for losses caused by Bank's gross negligence or willful misconduct.

13.3 Time of Essence. Time is of the essence for the performance of all obligations set forth in this Agreement.

13.4 Severability of Provisions. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

13.5 Amendments in Writing, Integration. Neither this Agreement nor the Loan Documents can be amended or terminated orally. All prior agreements, understandings, representations, warranties, and negotiations between the parties hereto with respect to the subject matter of this Agreement and the Loan Documents, if any, are merged into this Agreement and the Loan Documents.

13.6 Counterparts/Acceptance. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Bank hereby acknowledges and agrees that this Agreement has been executed and accepted by Bank in the state of Missouri.

13.7 Survival. All covenants, representations and warranties made in this Agreement shall continue in full force and effect so long as any Obligations remain outstanding or Bank has any obligation to make Credit Extensions to Borrower. The obligations of Borrower to indemnify Bank with respect to the expenses, damages, losses, costs and liabilities described in Section 13.2 shall survive until all applicable statute of limitations periods with respect to actions that may be brought against Bank have run.

13.8 Confidentiality. In handling any confidential information Bank and all employees and agents of Bank, including but not limited to accountants, shall exercise at least the same degree of care that it exercises with respect to its own proprietary information of the same types to maintain the confidentiality of any non-public information thereby received or received pursuant to this Agreement or any other Loan Document except that disclosure of such information may be made (i) to the subsidiaries or affiliates of Bank in connection with their present or prospective business relations with Borrower, so long as such subsidiaries or affiliates agree to be subject to this Section 13.8, (ii) to prospective transferees or purchasers of any interest in the Loans, so long as such transferees or purchasers have agreed to confidentiality obligations substantially similar to those contained in this Section 13.8, (iii) as required by law, regulations, rule or order, subpoena, judicial order or similar order, (iv) as may be required in connection with the examination, audit or similar investigation of Bank and (v) as Bank may determine in connection with the enforcement of any remedies hereunder. Confidential information hereunder shall not include information that either: (a) is in the public domain or in the knowledge or possession of Bank when disclosed to Bank, or becomes part of the public domain after disclosure to Bank through no fault of Bank; or (b) is disclosed to Bank by a third party, provided Bank does not have actual knowledge that such third party is prohibited from disclosing such information.

13.9 Patriot Act Notice. Bank notifies Borrower that, pursuant to the requirements of the USA Patriot Act, Title III of Pub. L. 107-56 (signed into law on October 26, 2001) (the "Patriot Act"), it is required to obtain, verify and record information that identifies Borrower, which information includes names and addresses and other information that will allow Bank to identify Borrower in accordance with the Patriot Act.

TO LOAN AND SECURITY AGREEMENT**

All personal property of Borrower (herein referred to as "Borrower" or "Debtor") whether presently existing or hereafter created or acquired, and wherever located, including, but not limited to:

(a) all accounts (including health-care-insurance receivables), chattel paper (including tangible and electronic chattel paper), deposit accounts, documents (including negotiable documents), equipment (including all accessions and additions thereto), general intangibles (including payment intangibles and software), goods (including fixtures), instruments (including promissory notes), inventory (including all goods held for sale or lease or to be furnished under a contract of service, and including returns and repossessions), investment property (including securities and securities entitlements), letter of credit rights, money, and all of Debtor's books and records with respect to any of the foregoing, and the computers and equipment containing said books and records;

(b) any and all cash proceeds and/or noncash proceeds of any of the foregoing, including, without limitation, insurance proceeds, and all supporting obligations and the security therefor or for any right to payment. All terms above have the meanings given to them in the New York Uniform Commercial Code, as amended or supplemented from time to time.

Notwithstanding the foregoing, the Collateral shall not include (a) more than 65% of the issued and outstanding Equity Interests entitled to vote (within the meaning of Treasury Regulation Section 1.956-2(c)(2)) of any FSHCO, CFC or First Tier Foreign Subsidiary, (b) any cash collateral accounts subject to a Lien described in clause (t) of the definition of Permitted Liens, (c) any rights or interest in any contract, lease, permit, license, charter or license agreement and any real or personal property of the Borrower or its Subsidiaries subject thereto if under the terms of such contract, lease, permit, license, charter or license agreement, or applicable law with respect thereto, the grant of a Lien therein is prohibited as a matter of law or under the terms of such contract, lease, permit, license, charter or license agreement and such prohibition has not been waived or the consent of the other party to such contract, lease, permit, license, charter or license agreement has not been obtained (provided that, the foregoing exclusions of this clause (c) shall in no way be construed (i) to apply to the extent that any described prohibition is unenforceable under Section 9-406, 9-407, 9-408, or 9-409 of the UCC (or any successor provision or provisions) or any other applicable law (including the United States Bankruptcy Code, as amended) or principles of equity, (ii) to limit, impair, or otherwise affect the Bank's continuing Liens upon any rights or interests of the Borrower or its Subsidiaries in or to (x) monies due or to become due under any described contract, lease, permit, license, charter or license agreement (including any Accounts), or (y) any proceeds from the sale, license, lease, or other dispositions of any such contract, lease, permit, license, charter, license agreement, or Equity Interests, or (iii) apply to the extent that any such prohibition is ineffective, lapsed or has been terminated, or any consent or waiver has been obtained that would permit the Lien notwithstanding the prohibition), (d) Equity Interests in any Person that is not a wholly-owned Subsidiary of Borrower, to the extent a Lien thereon is prohibited by or requires consent (other than of Borrower or a guarantor) under the organizational documents of such Person or the other agreements with the other equity holders of such Person, (e) any Intellectual Property; provided, however, that the Collateral shall include all accounts and general intangibles that consist of rights to payment and proceeds from the sale, licensing or disposition of all or any part, or rights in, the foregoing (the "Rights to Payment"). Notwithstanding the foregoing, if a judicial authority (including a U.S. Bankruptcy Court) holds that a security interest in the underlying Intellectual Property is necessary to have a security interest in the Rights to Payment, then the Collateral shall automatically, and effective as of the Closing Date, include the Intellectual Property to the extent necessary to permit perfection of Bank's security interest in the Rights to Payment.
